Remember the time when some Filipino TV programs in the late 1970's, 1980's, and early 1990's had some low-tech casual plugging, either through live or still image/logo (with voice), of some products/establishments during the show?

FAQ: Bakit ang lahat ng networks na nasa Digital Terrestrial TV (DTT) ay kasalukuyang nasa TEST BROADCAST?

1. Binibigyan ng pagkakataon ang mga network engineers na sumubok ng iba't ibang mga configuration para magamit ng full potential ang kanilang transmission o babagay sa settings na gusto nila.
2. Sa ngayon, lahat ng mga networks na nagbo-broadcast sa DTT ay binigyan lang ng temporary license to broadcast ng National Telecommunications Commission (NTC) dahil inaayos pa ang implementation guidelines nito.

Ang ginagamit nilang channel frequency at Logical Channel Number (LCN) assignments ay hindi pa final at pwede pang magbago. Ang NTC lang ang pwedeng mag-assign ng official network frequency at LCN assignments.

3. May mga networks na gumagamit ng iba't ibang mga equipments sa DTT broadcasts, katulad ng transmitter at broadcast equipments, upang ma-kumpara nila kung ano ang babagay sa settings na gusto nila.

4. Kasalukuyang nagkakabit at nag-iinstall ang mga broadcast networks ng mga bagong DTT antennas at iba pang mga equipment.

Pero last year ang expectation ko dito sa Aksyon sa Umaga ay similarly ng Aksyon Prime na puro Newscast.

Yun pala same lang pala ng nag-defunc nilang show na Good Morning Club & Sapul sa 5ingko.

[#SHIFTtoDTVph](#) [#ISDBTph](#) [#ABSCBNTVplus](#)

We have observed that there are some issues with the signal of some ABS-CBN DTT subchannels, with YEY! being affected the most.

The signal issue affecting those channels was not because of the firmware update, as it is also being experienced in older versions of ABS-CBN TVplus.

Na-observehan namin na merong mga isyu sa signal ng ilang mga channels ng ABS-CBN DTT, kung saan sobrang naapektuhan ang YEY!

Ang signal issue na nakakaapekto sa mga nasabing channels ay hindi dahil sa firmware update, dahil nararanasan din ito sa mga older versions ng ABS-CBN TVplus.

Please comment on this post if you are experiencing any issues with the update, and we will try to forward it to the Engineering Team.

Ayon sa Abante source, kung hindi nagkaroon ng pagbabago sa plano, noong Biyernes ang meeting ni Willie sa mga executive ng Kapuso Network para sa "contract renegotiation" dahil natapos na ang one season ng Wowowin.

If it shows Filipino retro TV stuff, a better name for the channel is justified, maybe "Filipino Throwback Channel". But I just hated the fact that this channel (and Jeepney TV), seemed to bring their free-to-air network rivalry to pay TV so unnecessarily.

Kailangan na nga talaga [#IbalikAngAnimeSaHapon](#) ang pangit naman kasi na Teledrama sa Hapon, Teledrama sa Gabi. Tapos ang tema pa ng karamihan sa mga teledrama ay more on pagiging kaliwete, haliparot, kalandian, pabebe, at kung ano ano pa. No objections sa mga Teledrama pero mas gusto ko yung mga teledrama noong taong 2004 until 2010 pero nang dumating ang 2011 up to now ay nagkanda leche leche na ang Primetime.. Wala na yung mga

Fantaserye, of may Action Theme na Teledrama like Encantadia, Codename: Asero, Asian Treasures, Kung Fu Kids,

Jake Jacinto RPN displays that logo when they air their station ID stringer at that time, with the voiceover continuity then saying, "This is RPN. The Leader Network." You can hear that in the last part of the video of the 1980 TV aircheck of RPN 9 (audio only, but just imagine that logo being displayed when they play that station ID stringer), which can be searched on YouTube.

Mark Francis Mercado Mahusay hmmm, nung inintroduce ba ng ABS ang first colored TV broadcast sa Pilipinas, hindi ba sila gumamit noon ng colored corporate logo?

July 29 at 8:42pm · [Like](#) · [1](#)

Jake Jacinto Not yet. Also, ABS-CBN's colored TV broadcast was just one-color since they first started colored broadcasting in 1966. And one more thing, RPN (then KBS) was the first TV station in the country to broadcast in full color in 1969, using "Accucolor" technology by Toshiba.

July 29 at 8:45pm · [Like](#)

Mark Francis Mercado Mahusay oh really? so did you mean ABS-CBN is not the 1st PH TV broadcaster in full color? How did you get that info?

July 29 at 8:49pm · [Edited](#) · [Like](#)

Jake Jacinto ABS-CBN only broadcasted in partial color in 1966, while KBS was the first to be broadcasting in Accucolor (all, full color) in 1969, thus giving them the slogan "First in Accucolor" from 1969 until 1975, the year KBS relaunched as "RPN."

Jake Jacinto Well, "Eat Bulaga!" is one of the few GMA programs which has a lot of product ads because it is being produced by a blocktimer, TAPE, Inc. The rest of GMA's programs' commercial breaks are too short, and mostly contain program teasers and promos, and a few product ads.

This is how she said:

'Dear Mainstream Media (ABS-CBN, GMA7, TV5, PDI, Manila Bulletin, PhilStar et al),
Don't disappoint us.

State of the Nation Address isn't about what Lawmakers and people on gov't wear or fashion statement at this day. Kindly focus on the real side of the story. Anti-Sona Protest isn't about the traffic jam nor about the trashes made by the participants (and apathetic on Canada's imported garbages). Don't be ironic on clinging bad publicity and ignoring the true essence of the activity. Focus on the message. The cry of the oppressed people wanting to be heard. The demolitions, the unprepared K+12, the LRT/MRT fare hike, the abandonment on social services and a lot more reason to defy the ruling class.

Another worthless crap channel is coming on SKYCable Cebu (Pacific CATV) with a weird name, "One Plus TV Home Shopping" on Channel 31. It's now on test broadcast.

I don't need that "TV Home Shopping" BS, here's why.

1. That name, "One Plus", it's stupid, not confused with that phone maker with a same name, maybe "OnePlus" will sue that for trademark infringement.
2. They will sell Korean products as the teaser shows.
3. The teaser video is cheap.

Hello friends, may I request if you have photo of current ABS-CBN regional stations that can be found in your area, please share the photo here by commenting it on this thread. It would be better if photos of all of its regional stations nationwide will be posted. Thank you.

• [Jake Jacinto Carlo](#): Good thing ABS-CBN was able to preserve their old logos in some of their regional stations (including in Mega Manila). Here in Cebu, ABS-CBN has their old logo on the top of the studio's second floor in Jagobiao, Mandaue City. I remembered seeing the old signboard of ABS-CBN Cebu (featuring their old logo) in their Mandaue complex when I passed by there while I and my family were going to Sogod, Cebu in 2006.

5 years later, when I passed again by the compound while heading, this time to Bogod City, on October 23, 2011, the signboard has changed, and it now bears the current logo. Yet, I still see the old logo placed in the building's walls.

[Carlo Pablico Doller](#) [Jake](#), yep. It is very classic when seeing the old logos of the station's location. "Viewers Opinion"

Show: Sunday PinaSaya

Channel: GMA

**Ok... Sisimulan ko na. I watch the show from the start until the end.. It was good.. Great Concept. Combination of Bubble Gang and SAS. Dagdagan mo pa ng mga magagaling sa pagpapatawa like Jose and Wally.. May chance na ma beat nila ang ASAP. Another alternative show. Overall. Nasayahan ako sa Sunday PinaSaya. Lalo na doon sa skit segment na Judge MD.. Nung sinabi ni Marian na "Order in the Court" may dumating na Waiter.. Abay order nga.. Hahaha...

Kung kayo ay may Opinion about sa new Sunday Noontime show. Wag mag atubiling mag comment..

If you want to beat them then don't play their game.

Mark Francis Mercado Mahusay I think [#SundayPinaSaya](#) is a better competitor for [#BananaSplit](#). Choosing ASAP as a competitor is not a good choice to compete with. Sapat na ang [#EatBulaga](#) at [#ItsShowtime](#) para sa ganyang format ng show. Araw araw na tayo nakakapanood ng noontime variety show. Sunday noon is allotted for musical variety show as a break for whole week of comedy tv show.

August 9 at 3:35pm · Edited · [Like](#)

Shirokami Shahid Well.. Aminin man natin o sa hindi. Mahirap talaga tapatan ang ASAP. Kaya nag isip ang GMA ng isang alternative way of giving fun every sunday. Good move for GMA at di na gumaya sa iba... Parang reincarnation lang ng "Comedy Bar" ang nangyari...

Paul Coles Yes, pansin ko rin. I saw Jerald Napoles, Valeen, etc. It seems na umaasa sa blocktimers ngayon yung GMA.

Edwardson Diestro I watch the whole content but majority parang comedy bar pa rin at na sayang lang ang mga homegrown talents ng kapuso as in na mass layoff ang karamihan ng mga artist.

August 9 at 5:15pm · [Like](#)

MC Capulong It'd be better if mag-extend sila to 2.5 - 3 hours at magdagdag din sila ng dance/singing segments para sa mga ibang talents nila mula sa SAS. Para 50-50 ang dating. [#Suggestion](#) like emoticon

I don't think GMA relies on blocktimers. There are companies who want to help GMA boost its programming. [#CaseClosed](#)

Gab Ferreras merely a co-production ata

August 9 at 5:54pm · [Like](#)

Jake Jacinto Actually, in the 1970s, during the station's first years as "GMA Radio-Television Arts," they used to rely on blocktimers and content companies to fill in their programming. When they rated well, there was huge income, and this eventually led GMA to produce shows of its own beginning in the 1980s, with some, if not many, of their productions being co-produced.

Ymman Jake Biaco Sunday PinaSaya is an intelligent alternative. Considering na ang ASAP ay more on concert and Happy Truck ay games, SPS has its own forte of Sunday variety programming. Iba-iba ang choice ng tao sa mapapanood nila on a Sunday.

Jake Jacinto Actually, there were two older Cebuano newscasts on TV which predated TV Patrol Central Visayas. One was "Newswatch Cebuano Edition," which aired every morning on RPN 9 Cebu, and "Mga Balita sa Kilum-kilum," which GMA 7 Cebu aired on weekday afternoons at 5:30p.m., in the 1970s and early 1980s. In fact, if these two shows remained on-air until now, any of these two would be regarded as "Cebu's longest-running TV newscast." (I said "any of these two" because I don't know which of the two - "Newswatch Cebuano Edition" or "Mga Balita sa Kilum-kilum" - started first.) But these two got cancelled when ABS-CBN Cebu revived their station and launched this newscast in 1988, and began to be Cebu's no. 1 regional program, and since then, "TV Patrol Central Visayas" is now a household name to Cebuanos when it comes to the latest news not only in Cebu, but even in the rest of Reg. 7 as well.

Alam niyo ba na karamihan sa mga Turner Brod. System Asia Channels ay nagsimula bilang block timer?

Tulad ng Toonami, Adult Swim at Boomerang.. Lahat sila ay nagsimula sa Cartoon Network..

++++++

Toonami - nagsimula bilang block timer ng Cartoon Network. Ang focus nito ay ang mga action theme Western Animation, Tokusatsus at Anime. Sa kasalukuyan ay may sarili na itong channel dito sa Pilipinas.

+++

Adult Swim - isa rin sa mga Block timer noon ng Cartoon Network na umeere tuwing late nights, 12:00am-2:00am.. As said on the word "Adult" target nila ang mga audiences 18 y/o and above.. Ito ay nawala sa ere noong 2006.. May sarili na itong channel sa America at Europa.. Di siya available sa Asya..

Boomerang - isang Throwback Cartoon Channel. Ineere nila ang mga cartoons ng Hanna Barbara, Warner Bros. Cartoon...

Ed Ching Ang dapat ginawa ni Kabayan Noli pagkatapos ng pagiging pangalawang pangulo niya, ay hindi bumalik sa "TV Patrol", kundi buhayin muli ang programang ito na nagpasikat nang husto sa kanya, lalo na tuwing mga episode na may tema hinggil sa kababalaghan o mga kuwentong matalinghaga... He can never be credible anymore being just a news reader after spending time with one sector of our population as a government official. Once a person works for the government, he or she ceases to be unbiased, especially if he or she was once a journalist.

---aa--aaa---a---aaa--aa---

- G (General Patronage) Suitable for all ages. Material for television, which in the judgment of the Board doesnot contain anything unsuitable for children.

-aaa--aa---a---aa--aaa-

-PG (Parental Guidance)

Material for television, which, in the judgment of the Board, may contain some adult material that may be permissible for children to watch but only under the guidance and supervision of a parent or adult.

The television program classified as "PG" must, in the judgment of the Board, meet the following criteria:

1. Theme – More serious issues may be tackled but the treatment must be suitable to children

below 13 years old.

2. Language – Very mild swear words only shall be allowed. Use of a strong expletive in a sexual context or sexually-based expletives shall not be allowed. Neither shall prolonged and/or successive use of expletives be allowed.

3. Nudity – Occasional natural, non-sexual nudity, is permissible.

4. Sex – Graphic depiction of sexual activity shall not be permitted. Sexual activity may be implied but with no details shown.

5. Violence – There should be no glamorization of weapons and crimes. No detail of fighting or other dangerous techniques. No detail or prolonged showing of violence or suffering.

6. Horror – Scary sequences must be mild and brief.

7. Drugs – There may only be implied depiction of prohibited drugs and/or substances or their use provided it does not condone, encourage or glamorize drug and/or substance use and it should be necessary to the theme and characterization.

-□□□--□□---□---□□--□□□-

-SPG (Strong Parental Guidance) Programs classified as “SPG” may contain more serious topic and theme, which may not be advisable for children to watch except under the very vigilant guidance and presence of a parent or an adult.

The television program classified as “SPG” must still fall within the parameters of existing Parental Guidance classification rating. However, to merit the issuance of an “SPG” rating, the gravity of the material must, in the judgment of the Board, be leaning towards the maximum allowable for Parental Guidance rating. In determining the proper classification rating, the Board shall consider the purpose, genre, and time slot of the program as well as the treatment and depiction of attendant factors such as, but not limited to:

Theme (Tema), Language (Lenggwahe), Violence (Karahasan), Sex (Sekswal), Horror and Drugs (Droga).

In the exercise of its judgment, the Board shall take due consideration of balancing the interest of the State to protect the welfare of the youth with the interest of the broadcast networks to freedom of expression.

The truth speaks out.

Perry Patts

Wew, bully na [#pabebe](#) itong si Allan Caparas (a.k.a Allan Daniels).

Tinutulungan ko na nga, binlock pa ako. Wew.

Kahit i-block mo ako, di ka makakatakas sa akin boy. Naghanap pa ng kakampi, hindi naman napapansin.

Nagagalit pero naka smiley face *smile emoticon*. Ano siya? Psychopath?

Nakipag-away pa siya sa isang admin ng DTV Pilipinas. Huli niya nang nalaman na admin pala ang naka-away niya nung na-ban na siya tapos magda-drama sa mga DTT community group pages. Siya daw ay inaapi kuno.

Style niya bulok. Mabait yung admin na naka-bangga niya. I'm sure hindi naman magbaban ang admin nila sa kanya nang dahil lang sa personal na gulo sa isang DTT community group page. Kung may nagawa siyang mali sa loob ng DTV Pilipinas fanpage ay iba na ang usapan doon. Na-obsorbahan ko lang yung nagawa niya. Alam niyo naman, may pagka-tsismoso ako kaya nalalaman ko kung ano ang nangyari doon sa group na yun. Pero sa ginawa niya sa DTVph page ay hindi ko na alam kung ano ang nangyari at na-ban siya.

So kung hindi pala taga-DTV Pilipinas or taong kilala o experto sa DTV/broadcasting ay pwede siyang umastang siga? Ganun ba?

Sabi niya kasi, kapag eksperto ay lumalayo siya.

Isa lang ako sa mga sumusuporta sa kanilang hakbang na isulong ang DTV sa Pilipinas.

Naiintindihan ko yung hrap na dinadaan ng mga admins doon. Mapagpasensya silang mga tao. Alam ko may mga gusto pa silang ibahagi pero inaabangan lang nila ang tamang oras para gawin yun. Hindi naman nila makukuha yung tiwala at credibilidad ng industriya sa iisang iglap. Nakakailang-ligaw din sila para lang makakuha ng magiging ka-akibat sa kanilang adhikain.

Mga kids, huwag niyo siyang tutularan ha! Para talaga sa kanya ang bagong kanta ni Vice Ganda.

Pagpasensyahan niyo na itong mahabang rant na ito. Sadyang sumakit ang ulo ko dahil sa kamangmangan nito.

P.S. I love that "Perry Patola" slur. Hampasin ko siya ng patola ko eh.

Di rin ako taga DTV Pilipinas at wala akong koneksyon sa organisasyon na iyon.

Maari niyo itong ikalat at isend sa profile niya. Na-block kasi ako ng loko eh. Urong bayag. Magbubura ng post kapag hindi niya kayang i-keri ang mga pangongonta sa kanya.

Heavy ka 'teh, nakakaimbiyerna yung ka-chipan mo.

So kung hindi pala taga-DTV Pilipinas or taong kilala o experto sa DTV/ broadcasting ay pwede siyang umastang siga? Ganun ba? Sabi niya kasi, kapag eksperto ay lumalayo siya. Isa lang ako sa mga sumusuporta sa kanilang hakbang na isulong ang DTV sa Pilipinas. Naiintindihan ko yung hirap na dinadaan ng mga admins doon. Mapagpasensya silang mga tao. Alam ko may mga gusto pa silang ibahagi pero inaabangan lang nila ang tamang oras para gawin yun. Hindi naman nila makukuha yung tiwala at credibilidad ng industriya sa iisang iglap. Nakakailang-ligaw din sila para lang makakuha ng magiging ka-akibat sa kanilang adhikain. Mga kids, huwag niyo siyang tutularan ha! Para talaga sa kanya ang bagong kanta ni Vice Ganda. Pagpasensyahan niyo na itong mahabang rant na ito. Sadyang sumakit ang ulo ko dahil sa kamangmangan nito. P.S. I love that "Perry Patola" slur. Hampasin ko siya ng patola ko eh. Di rin ako taga DTV Pilipinas at wala akong kuneksyon sa organisasyon na iyon. Maari niyo itong ikalat at isend sa profile niya. Na-block kasi ako ng loko eh. Urong bayag. Magbubura ng post kapag hindi niya kayang i-keri ang mga pangongonta sa kanya. Heavy ka 'teh, nakakaimbiyerna yung ka-chipan mo. AUGUST 21, 2005 - Inilunsad ng ABS-CBN ang PINOY BIG BROTHER, ang reality show na susukat sa pagpapakatotoo ng isang tao. Tinagurian itong "Teleserye ng Totoong Buhay" dahil ang mga makikita sa palabas na yun ay very raw ang footages ng housemates na isolated sa iisang bahay!

ipinakilala ng PBB ang mga kauna-unahang HMs nito, sina Rico Barrera, Chx Alcala, Bob Dela Cruz, JB Magsaysay, Say Alonzo, Jenny Suico, Racquel Reyes, Franzen Fajardo, Uma Khouny, Cassandra Ponti, Jayson Gainza at ang eventual first BIG WINNER ng edisyong yun na si Nene Tamayo. sa kalagitnaan naman ng Season 1 ng PBB, pumasok naman si Sam Milby na pumalit naman sa noon ay nagvoluntary exit na si Jenny.

ang mga unang host ng nasabing palabas ay sina Willie Revillame, Mariel Rodriguez at Toni Gonzaga! [smile emoticon](#)

SKY PRESS STATEMENT ON GMA 7 RECENT SERVICE INTERRUPTIONS

SKY Cable Corporation, the country's leading source of cable TV home entertainment, has been providing top-of-the-line services to our subscribers for the past 25 years. It has always been our primary aim to be at par with global standards and innovations in bringing world-class entertainment to every Filipino home.

The complaint of GMA 7 with the National Telecommunications Commission (NTC) last August 25, 2015, regarding shortchanging of our SKYCable subscribers via irresponsible acts, is a malicious accusation and is without basis.

If there were service interruptions that inconvenienced some of our subscribers, these were isolated and would have affected other channels, not only GMA 7.

SKY is willing to cooperate with the NTC for any investigation they may wish to do regarding these incidents.

To all our valued customers and stakeholders, we commit to take all necessary measures to give you the best service you deserve and continue working round-the-clock to minimize and immediately resolve any service interruptions in the future.

[Jake Jacinto](#) Even after ABS-CBN's resurgence to the no. 1 spot in 1987, RPN was still using "The Leader" slogan, not knowing that they're now on the stage of decline, thus that slogan doesn't make any sense by then. Yet, RPN's ad was very meaningful. I think RPN was using that ad since 1984 or 1985.

[Ymman Jake Biaco](#) Considering as 'The Leader' network, RPN has a wider reach of nationwide broadcast through the domestic satellite, as well as some of the brightest stars remained to RPN before it finally gone by the slogan as its reputation goes down.

Paolo Sevilla Actually ang daming magagandang shows noon sa QTV. Tapos nung nagpalit sila ng branding at naging Q noong 2007, noon na nagsimulang dumagsa ang foreign shows at inalis ang mga orihinal na programa (like "Pusong Wagi," "Now Na," "My Guardian Abby," "MMS," "H3O: Ha Ha Ha Over," etc.) Nawala na ang focus nila mula sa pagiging women-oriented tungo sa general lifestyle/entertainment.

Kakalaunch lang ng GMA 26 sa Butuan. Relay ito ng GMA Cagayan de Oro. Malakas raw ang signal ng GMA Butuan kaysa sa ABS-CBN Butuan.

Kasama sa pipeline ng GMA ang pagtatayo ng 2kW relay station sa Daet, Camarines Norte.

Pio Decimus Secundus tama.. medyo harsh tignan ang mga reality shows sa dos, na puro franchised buti pa sa gma ngayon dhil may starstruck, medyo may twist silang ginagawa tulad nung kahapon

Daniel Jonas Legurpa Sinabi mo pa lalung lalo na yung PBB, parang mas scripted pa sila sa WWE.

Like · Reply · September 12 at 10:23pm

Paul Rodriguez Coles Atsaka di pa masyadong matagal nung natapos yung S1 ng YFSF, unlike sa Starstruck na 5 years ang hiatus kaya mas nakaka-excite uli panoorin kasi antagal mo nang di napanood.

Makalipas ang 1024 Episodes, ay pormal nang nagsara ang pintuan ng Startalk...

Sa pagsasara nito, isang bagong pinto ang magbubukas para sa makabagong paraan ng paghahatid ng Showbiz Balita sa ere..

Mukhang hindi sinama ng ABS-CBN ang mga eksena ni Maine Mendoza (aka Yaya Dub) sa latest McDo commercial. Instead yung 15-second spots lang with Alden ang ineere nila.

- **Gregory Maximinian** It brings us back again to the scenario about Derek Ramsay's commercials, kung saan ayaw ng ABS na ipalabas ang kanyang commercials dahil hindi na siya Kapamilya. Hanggang saan matitigil ang bitterness ng channel 2 at 7 dahil sa iisang produkto lang?

For the past few days, we have observed that GMA's DTT broadcasts are stable despite reports of alleged sabotage especially when using a TVplus set-top box. There are factors that need to be considered such as antenna and transmitter location, transmitter power, the antenna that you're using and the sensitivity of your set top box.

As with all digital TV channels, GMA's signal comes directly from their own transmitter. Any technical issues with their signal would originate from them, regardless of which TV or STB you use.

This was tested near Golden Valley, Malanday, Marikina City.

If you experience such issues, you may leave a comment on this picture.

April 24, 2011

Frequently Asked Questions (FAQ) Set 3: Common Digital TV Dilemmas

COMMON DIGITAL TV DILEMMAS

- ***The TV channel looks pixelated and jumpy videos are occurring. What do this mean?***

Pixelation of TV channels is one of the disadvantages of DTV. This is caused by digital signal degradation. Analog TV can still receive signals even those with snowy images and rolling white lines, but in digital TV, pixelation will occur once signal is degraded until it shows **NO SIGNAL**.

- ***It says “NO SIGNAL”. I can’t receive any channel. But I scanned all TV channels before, what happened?***

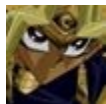

It’s because of poor reception. DTV needs better signal reception and signal quality. Remember, digital TV is usually either totally on, getting TV signals, or totally off, having no TV signals received. Most STBs are equipped with signal meter to know whether how you will adjust the antenna into a place where it can receive strong DTV signals.

We have learned that PTV's Datacast is currently on-air and is available on the [ABS-CBN TVplus](#) Box. Just press the AUD (or the RED) button on your box when tuned in to PTV's digital TV Signal

Note: The PTV datacast is having technical issues at the moment, you may need to restart the box to return to its normal state.

Nalaman po namin na on-air ang Datacast ng Telebisyon ng Bayan (PTV), at makikita din ito sa ABS-CBN TVplus Box. Para mapagana ang Datacast, pinduting ang AUD (o ang PULA na buton) na naka-tune in sa Digital Channel ng PTV

Paalala: Ang Datacast ng PTV ay may mga isyung teknikal sa ngayon, Marapat na i-restart ang box para mabalik ito sa normal

USAPANG NOONTIME SHOWS: Alam nyo ba na nagkaroon na noon ng segment sa dating programang Magandang Tanghali Bayan na kapareho ng konsepto ng Sugod Bahay Gang ng Eat Bulaga ngayon kung saan bumibisita ang hosts ng programa sa iba't ibang barangay sa Metro Manila para magbigay ng papremyo? Natatandaan ko, meron pa silang parang busina ng bumbero habang pumipili ng maswerteng bahay ng pamilyang mananalo. Ano nga ba ang title ng segment na ito noon?

[Gregory Maximinian](#) Destroying the Philippines' social fabric one TV show at a time

Who does not love the word: serendipity (Kate Natividad's Alden Richards and Maine Mendoza rock!)? It sounds like our Tagalog word: ' suwerte '. Who wouldn't want luck coming one's way? I will be grateful to take it anytime. We should be grateful that from time to time we are afforded the opportunity to meet serendipity. I guess we couldn't say hello to it all the time, or life might be boring. Yes, life is a bitch most of the time, and that might as well be where the excitement comes from, but if there is serendipity, then life could also be something beautiful in its totality. Good for Eat Bulaga, and its many fans, if finally there is something wholesome to be found in it, whether it was found by accident, or by design. Still, I am not sure what is going on. I am one of those who have to earn a living and don't have time to watch noon time shows. But, I just came back from a trip to Seoul, and one of my Korean hosts was curious about Aldub since it has been trending worldwide on Twitter. He was puzzled when I said I knew nothing about it. "How could you not know what is happening in your own backyard?" Thus, I had to do a little research that night in order to satisfy the curiosity of my host the next day. Still, I think I disappointed him for the best I could do was to point him to Wikipedia. "Looks cheesy and cheap, and it is trending?", he queried. I asked him to read Kate's article. His reply: "You, Filipinos, are a mysterious lot." Mysterious? Funny that.

I hid from him Grimwald's article (Philippine Media And The Masses: A Cycle Of Stupidity And Madness). I wanted my Korean host to retain in his mind our mysteriousness. (It's more fun in the Philippines) Grim touched some raw nerves, and I wasn't in the mood of exporting to Seoul and explaining the hornet's nest stirred. I was there for business, and the comments to Grim's piece might have been the quickest way to shoo away serendipity if I expanded the topic.

Thing is, I am not about to break a house rule me and my wife set a long time ago just because something is trending. Noon time shows, Wowowee , showbiz tsismis talk shows, and Tagalog drama series are banned from the house, especially when the children are around. Call us some derogatory names as being elitists, or whatever, but I don't want my children making heroes out of Tito, Vic, and Joey, or the repulsive Vice-Ganda, or that arrogant guy who is alleged to beat his wives — what's his name, again?

Said personalities and many in showbiz have too much of colorful lives for our taste. There are already too much moral and ethical challenges in our ordinary lives, why add some more? Yes, we enjoy good movies, and if they are

really good, why bother us with the private lives of the actors and actresses? Good movies, if they are good, should stand on their own merits. PR campaigns and promo blitzes that try to include something that is private and controversial about actors and actresses, even if they are widely practiced in the industry, does not take away from the fact that they are still of poor taste, if not desperate gimmicks.

Noon time shows in the Philippines are a genre of their own. They are, at their base, advertisers' paradises. If consumerism is the main objective, we can understand why they can't be blatant about this. Thus, they mask such by labeling them as variety shows or game shows. I heard that they have further justified these shows by now including segments for public service. Hope these are not about continuing and amplifying the promotion of mendicant mentality. It is really the shows' condescension of the poor which has characterized them from the beginning. So, my cynical self could only surmise that these must be public service offerings with large strings attached.

In any case, if the shows are still selling, why not? Ours is a market economy; so, let the networks and everyone involved earn their money. Who are we to stop the networks and the market if the market continues to get entertained by the shows, even if we can see the market is taking it gladly from behind, bent over? But, what a way to take advantage of the gullibility, the naivete, the depressing conditions of the poor and the hopeless. Obviously, they ain't selling me these shows. Even if I know we are just a few, we still prefer to be discriminating.

For sure, I am no longer a good judge of the contents of these shows for it has really been ages since I watched any of them. But, I still have a recollection of how they disrespected their audience. What was the purpose of all those skimpily dressed girls who were ever present in the stage? I was sure those girls won't be able to walk the streets even for five minutes without having to go back and change. So, where was the decorum? Were they promoting impoliteness in a society where impoliteness already rules?

Sure, sex sells. But, that means all the other contents of the shows are about vacuousness. Were they thinking that the audience should be interested in what are being shown in honky-tonk places? If I am feeling animalistic, then I would go to the nude beaches in France, but then I won't take along my children. If I feel like going to the honky-tonkies, then I wouldn't go noon time, much less with children. And yet, they rate them as General Patronage (GP) shows??? (Who remembers Pepsi Paloma? Were Tito, Vic and Joey involved?) Still, I would be very glad to hear these shows have changed.

* * *

For instance, all we can infer from primitive legend, and all we know of barbaric life, supports a certain moral and even mystical idea of which the commonest symbol is clothes. For clothes are very literally vestments and man wears them because he is a priest (of the created world). It is true that even as an animal he is here different from the animals. Nakedness is not nature to him; it is not his life but rather his death; even in the vulgar sense of his death of cold. But clothes are worn for dignity or decency or decoration where they are not in any way wanted for warmth. It would sometimes appear that they are valued for ornament before they are valued for use. It would almost always appear that they are felt to have some connection with decorum. Conventions of this sort vary a great deal with various times and places; and there are some who cannot get over this reflection, and for whom it seems a sufficient argument for letting all conventions slide. They never tire of repeating, with simple wonder, that dress is different in the Cannibal Islands and in Camden Town; they cannot get any further and throw up the whole idea of decency in despair. They might as well say that because there have been hats of a good many different shapes, and some rather eccentric shapes, therefore hats do not matter or do not exist. They would probably add that there is no such thing as sunstroke or going bald. Men have felt everywhere that certain norms were necessary to fence off and protect certain private things from contempt or coarse misunderstanding; and the keeping of those forms, whatever they were, made for dignity and mutual respect. The fact that they mostly refer, more or less remotely, to the relations of the sexes illustrates the two facts that must be put at the very beginning of the record of the race.

— "The Everlasting Man" by Chesterton

A good many say: why bother? It is one of those things that the Philippines tries to import from Hollywood?

....Moreso why we should be bothered. Yes, Hollywood remains the standard for quality films, but Hollywood is also very much about money, and it is profit by hook or by crook, and anything in between that promotes hedonism, and not just fantasies. And, the Philippines importing these things? Philippines, as is wont, wouldn't know if it is

importing form or substance, or just a semblance of any of these.

ABS-CBN TVplus

Kapamilya, we would like to inform our valuable customers that the ABS-CBN TVPlus box receives all digital TV broadcasts that are available in the area of its location. ABS-CBN has no control over the reception by the TVplus box of the digital TV signals of any broadcaster.

The TVplus box is nothing more than a receiver that is configured to detect, receive, and translate all available digital broadcast signals at any given time regardless of the broadcaster. Thus, if any digital broadcast or signal is interrupted or stopped, the TVplus box will have nothing to receive and translate.

LATE POST YESTERDAY:

[#SHIFTtoDTVph](#) [#ISDBTph](#) [#DTTB](#) [#GMA7](#) [#Kapuso](#)

GMA Network on ISDB-T (UHF 27) can now be received again on all Digital TV receivers.

We would like to emphasize again that that television networks like ABS-CBN, TV5 and GMA-7 are responsible for their Digital TV signal, regardless of what brand is your receiver (e.g. ABS-CBN TVplus, RCA Digital TV Box).

Nasasagap na pong muli ang GMA Network sa ISDB-T (UHF 27) sa lahat ng Digital TV receivers. Gusto po namin muling i-emphasize na ang mga istasyon ng telebisyon tulad ng ABS-CBN, TV5 at

GMA-7 ang responsable sa kanilang Digital TV signal, anupaman ang brand ng kanilang receiver (e.g. ABS-CBN TVplus, RCA Digital TV Box)
